ConnectEd Studios Registration

Registration will take you through a step-by-step process to determine your role, affiliations, and the appropriate level of access. The first step is to select a role by answering the question: What kind of user are you?

K-12 User
Students, teachers, and pathway, school, and district users and admins

Postsecondary User
University students and faculty seeking membership for the purposes of teacher prep

Industry Professional or Mentor
Individuals in industry sectors either associated with a district, school or pathway or who are seeking to support ConnectEd Studios in general

Partner Organization Member
Members of partner organizations that have an interest in promoting youth development or organizations seeking to be considered for partnership

Guest
Individuals who either do not fit in one of the aforementioned categories or would like to explore the interface with restricted access before applying for membership

I'm a K-12 User

If you are a K-12 user, you will fall into one of two groups: School/Pathway User or District User. School/Pathway users include teachers, students, and all administrative staff at the school or pathway site. District users include linked learning directors, CTE directors, human resource managers, work-based learning coordinators, and all administrative staff who support work at the district level.

I'm a Teacher/Student – Enter Your ConnectEd Code

Each school in ConnectEd Studios is given a unique teacher and student code, which allows teachers and students to register in ConnectEd Studios without being queued for approval by a pathway or school administrator or by ConnectEd Studios staff. The alphanumeric code is a combination of 10 characters including lower case and uppercase letters as well as numbers. Once you enter the code, select the corresponding school from the dropdown menu and press **Submit Code**.

Please note that without a code you can still create an account by clicking the link "**Click here to continue to the next step**", but you will not have full access to ConnectEd Studios until approved by an administrator.
